FIFTEEN CENTS

Haley tells his plans for next 4 years

ONE-LINER

The average man is worried less about the shortage of pennies than he is about the shortage of \$20 bills.

When Michael J. Haley is sworn in as mayor of Antioch next Monday the village can expect an administration similar to the one headed by Mayor Robert C. Wilton during the past four years.

As a village trustee Haley worked closely with Wilton.

Wilton did not run for re-election last week because he was recently married and moved to Mundelein. However, he will continue to operate

the Wilton TV and Electric Shop on Antioch's Main Street.

"WE WILL CONTINUE working in the same types of community-service-related programs that we have worked on in the last four years," Haley told the Antioch News.

"I believe the main function of the village is to provide services to the citizens," he said. "I was very much a part of Mayor Wilton's administration and I agreed with its programs and platforms.

Mine will be very similar and I anticipate we will have a mayor and board of trustees that will work together as harmoniously as the past mayor and board worked."

Haley, 34, and his wife, Susan, have two daughters, Jennifer, almost 6, and Megann, 18 months. The man who was elected mayor said he doesn't think Antioch's problems are strictly the problems of the village board.

"THE ANTIOCH CHAMBER of Commerce and Industry must continue to become involved and has agreed to do so," Haley said. "Together with the Chamber we must develop objectives, set priorities and work with representatives of our three strong financial institutions."

Asked about Antioch's traffic and parking problems, Haley said:

"One-way streets are certainly a possibility, but I don't know if that's the alternative we will take."

He said the tight parking spaces will be widened in the village lot behind the stores on the west side of Main St.

REGARDING THE VILLAGE'S growth, Haley said:

"There are presently four major developers talking to village officials at the planning commission, zoning board and village board levels. We have developed comprehensive land-use plans; strong subdivision ordinances and strong planned-development ordinances in past four years.

"They were developed to protect the people who live here, so that when new development comes to our community they pay their own way. They pay in the areas of sewers, street lights, donations to schools, parks and recreation, and most importantly that new developments pay for the capacity they will use up in the sewage treatment plant which belongs to the citizens already here."

HALEY ALSO WAS asked about police protection and the rise of vandalism.

"I'm aware of the problems," he said, "especially after talking to so many people in the recent campaign. After the new board is sworn in Monday and a police committee is appointed, I will meet with them to discuss the problems we have in the area of police protection. The solutions will be forthcoming in the very immediate future."

TWO MEMBERS of Haley's Citizens' Action Party failed to win re-election to the board of trustees. Haley feels that William H. Seemann and Judy Phillips were hard-working trustees.

"I hope they will choose to remain active in community service. I would certainly consider them for appointments to the various village commissions if they so desire."

Regarding appointments to such groups as the planning and zoning commissions, Haley said, "I will ask the new board's recommendations on all appointments before I make them."

After Monday's swearing-in of the new board, the next village meeting will be Monday, May 16.

HALEY WON HIS four-year term as mayor in a close race with former mayor Raymond P. Toft. The difference was 61 votes, Haley receiving 604 and Toft 543.

J. Irving Walsh, who has two more years on the village board as a trustee, ran for mayor and placed third with 330 votes. Henry Gillman Jr., a newcomer to local politics, was fourth with 62.

Marilyn J. Sterbenz was re-elected village clerk, defeating village treasurer Shirley Gutowski 988 to 513.

SATURDAY'S THE BIG NIGHT! That's the date of the junior-senior prom, "Pieces of April," held this year at the Lake Geneva Playboy Club. The court is composed of (from left): front row, Sharon Endean, Beth McLellan and Dennis Korjenek. Second row: Sherry Weitz, Brad

Masopust and Brian Andrews. Third row: Tim Huebner, Sue Kasik, Jill Vos and Chris Ano. They were selected by the junior class executive board and class members. Final voting was held last Friday, with the king and queen to be announced at the dance.

'New' faces on village board

There will be three "new" faces on the six-member Antioch village board next Monday night.

Well, they aren't really "new." All three men are well-known to local residents.

In last week's village election, Vern (Barney) Barnstable and Don Amundsen were elected to four-year terms as village trustees.

Edgar Simonsen won a two-year term when he defeated incumbent Judy Phillips in a close race, 738 votes to 720.

RON CUNNINGHAM ISN'T ONE of the "new" faces because he was

running for re-election. He once again proved his popularity since he was the leading vote-getter among all trustee candidates.

Cunningham's 965 votes was second only to the 988 received by incumbent village clerk Marilyn Sterbenz.

Barnstable was second among the trustee candidates with 896 votes and Amundsen was third with 867. Defeated were Bill Seemann, an incumbent, who received 816 votes, and Dan Kasik, 551.

TWO TRUSTEES, J. Irving Walsh and Arnold W. Weber, still have two

years remaining on the four-year terms they won in 1975.

Amundsen has lived for the past eight years at 508 First St. in Sequoit Terrace with his wife Gerri and their three children, Glen 22, a senior at Augustana College; Sue 17, a senior at Antioch High School, and Carl 12, a seventh grader at the Upper Grade School.

A 20-year employee with the Illinois Bell Telephone Company, Don works in Waukegan as an engineer.

Kindergarten registration

District 34 kindergarten registration for next year will be held at Antioch, Channel Lake and Oakland grade schools through Apr. 29 from 9 a.m. to 1 p.m. each day.

If it is not possible to register during the week, parents should call the school where the child will attend and make arrangements to register or, at least, give the name, address, and telephone number, and the name of the child.

The registration fee is \$13 but it may be paid anytime before school starts.

Bring your child's birth certificate, baptismal certificate or hospital certificate for registration.

Every year many kindergarten pupils are registered the week before school starts. This has caused problems because the late registrations have made the classes too large at some buildings, resulting in a forced transfer to children without being able to give parents sufficient notice.

EMMONS BOARD NEWS

At a special board meeting held Monday, Apr. 18, The Emmons School Board of Education canvassed electoral votes and reorganized.

Richard Becker was named board president and Sophie Thain, secretary.

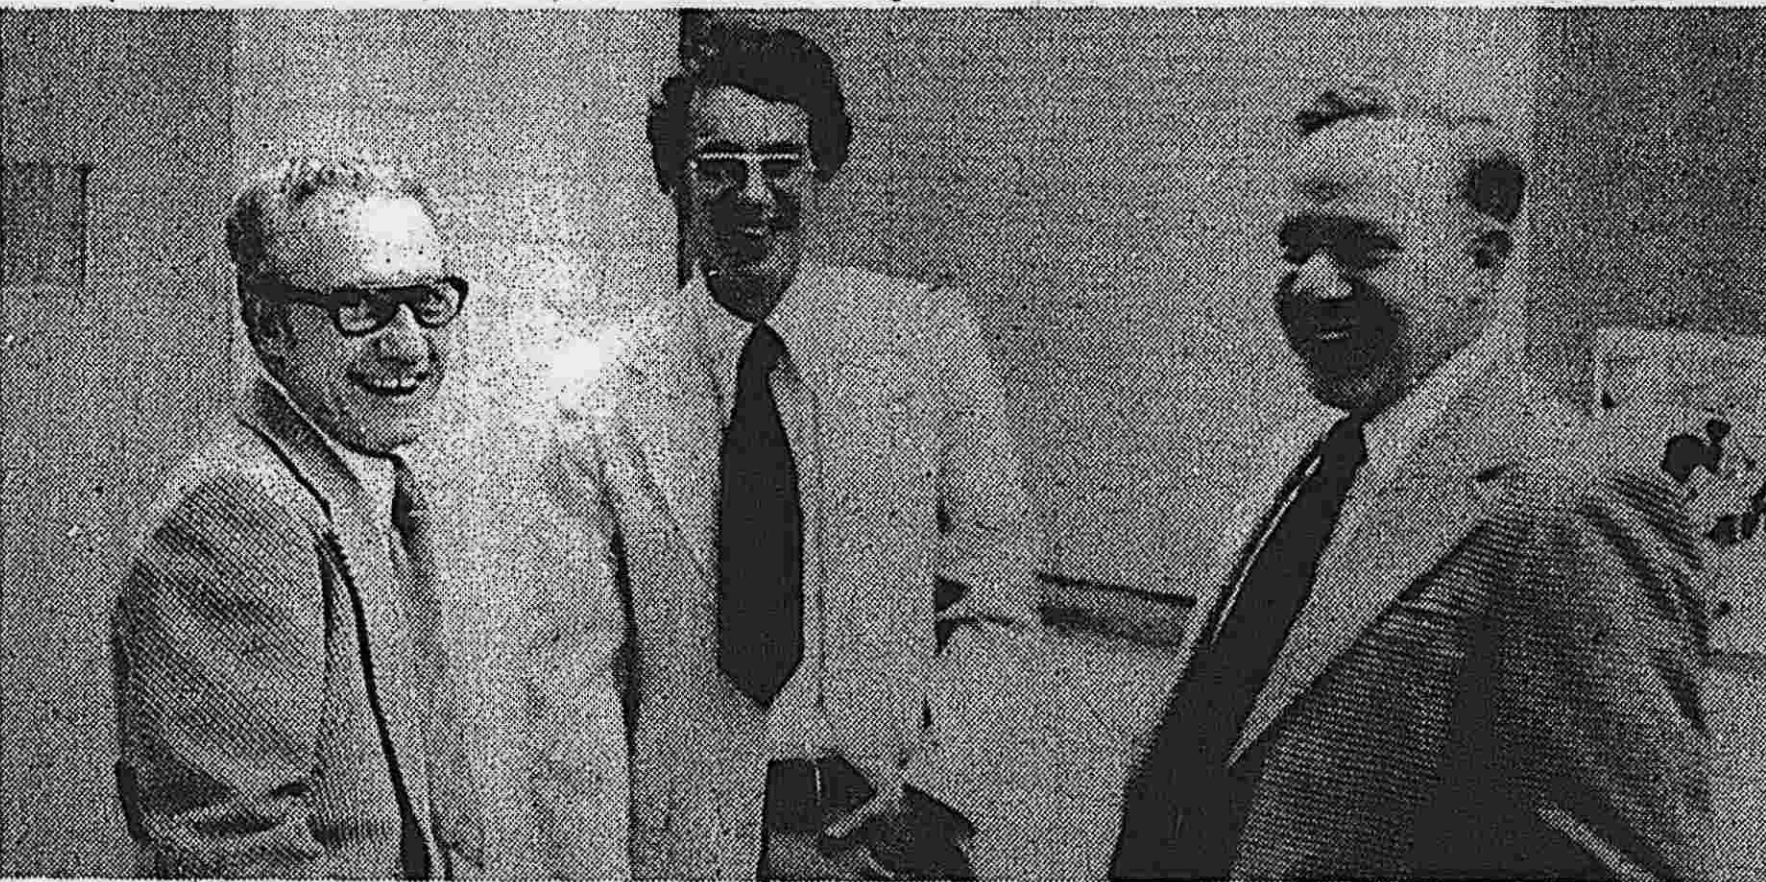

Regular meetings will be held at 8 p.m. on the second Monday of each month at the Emmons Grade School building.

ACHS board meeting

The regular monthly meeting of the board of education of Antioch Community High School will be held at 7:30 p.m., tomorrow (Thursday) in the board room.

AMONG THOSE ATTENDING the board of education-administration dinner meeting were Bruce Jablonski (left), newly-elected Dist. 34 board member, and Kenneth Wierschem, Antioch High School business manager. About 50 people participated from the high school and area feeder schools.

ENJOYING THE ANNUAL elementary-high school board of education-administration dinner meeting in the Antioch High School cafeteria last Thursday were (from left): Henry Meyer, Dist. 34 superintendent; Paul Eckert, vice-president of the St. Peter Catholic School board; and Charles Forster, Antioch High School board member.

Wedding planned

A July 16 wedding is being planned by Darcy DeVore and Roy Morrison.

The bride-to-be is the daughter of Ms. Jane DeVore of Antioch and Mr. Howard DeVore of California.

Her fiancé is the son of Mr. and Mrs. Paul Morrison of rural Antioch.

Darcy is a student at Sawyer Business College. Mr. Morrison is an employee of Antioch Auto Parts.

They will make their home in Antioch.

Burglars, shoplifter arrested

Antioch police closed a case opened Mar. 17, when the Antioch Theatre's safe was taken.

Given an anonymous lead last Thursday, Lt. Charles Miller and Officer Thomas Fisher started an investigation which led to the booking of Larry Thompson, Nicholas Orphan and Scott Brueggemann. The Antioch youths had been arrested Apr. 14

for burglary in the industrial park.

Billy Neace, 23, of Ingleside was arrested for shoplifting Monday afternoon at Foremost Liquors in the Orchard Plaza. Store employee

Kevin Kelly had seen him take a bottle from the premises without paying.

Neace was transported to the county jail, to await a May 20 court appearance.

He established the public works department for 11 years. From 1969 to 1974, he worked at the sewage

treatment plant and water works.

A member of the Antioch Fire Department for 45 years, he was its chief for 17 years.

Barnstable served as a trustee from 1969 to 1973.

He feels this experience, combined with the extra time his recent retirement offers, heads his qualifi-

cations.

"I enjoyed being on the village board," he said. "I will go to the people if they have a problem. I will take a personal interest in solving their problems."

Barnstable has resided in Antioch for 43 years. He is now deputy chief of the Fire Department.

PREPARING FOR tonight's Antioch High School Parent-Teacher Organization Art Fair is pottery student Karla Herbst. The event begins at 7:30 p.m. in the commons, where artwork will be on display.

Preschool at ACHS

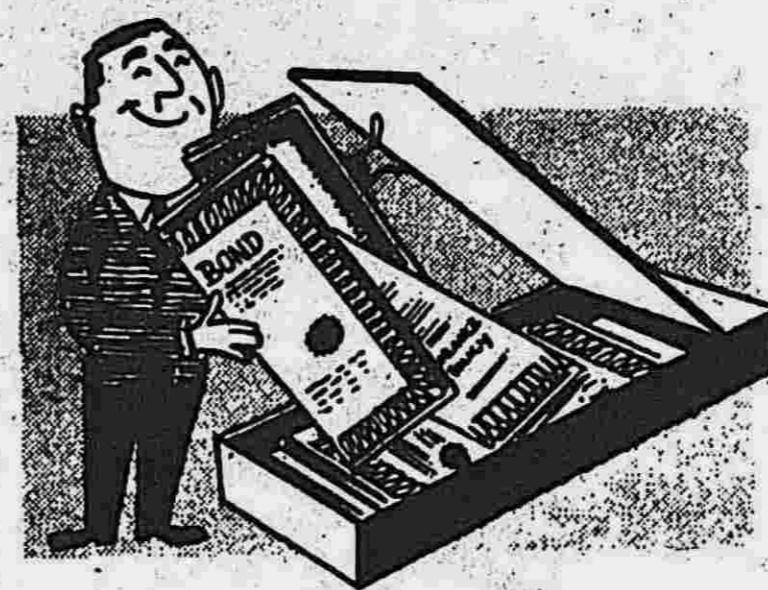

The students in Lucille Hacht's child development classes at Antioch Community High School announced they will be conducting their 13th preschool nursery as a portion of their program of child study.

For this activity, preschool children from within the high school district will be needed. You are welcomed to enroll your three-, four-, or five-year-old in this program by picking up an enrollment form from the high school receptionist.

School will meet from 12:10 to 1:15 p.m., Monday, Tuesday and Thursday from May 2 to June 2. Parents must provide transportation to and from the school and pay a \$2.00 fee for class materials. Enrollment will be limited to provide the best learning situation for all those involved.

The child development students will be nursery school teachers and aides under the supervision of Miss Hacht. Activities will include language, rhythm, color, movement, and physical activities. Small science projects will also be included.

The Town Crier

You know how hard we have tried to keep this a dignified publication, and that's why it hurts so much to tell you this story.

Lee Majors is divorcing Farrah Fawcett-Majors. He is going to marry Olivia Newton-John.

It seems he prefers a John to a Fawcett.

That joke is so bad that we are going to protect the identity of the man who told it to us. He was one of the community's more dignified citizens, prior to that joke.

WE UNDERSTAND that one of our favorite friends, Pastor Phil Laurin, was standing behind a man who became frustrated about something and exclaimed:

"Oh, my God!"

"No," smiled Rev. Laurin, "but right next to him."

THE NEWSPAPERS were full of

it last week.

The owner of the Chicago Cubs died and everybody tried to say something nice about him ... Philip K. Wrigley.

What a farce. For more than 30 years he did almost everything he could to keep the Cubs from being winners. He rarely attended games and knew very few of his players. Only three attended his memorial service.

Wrigley's chewing gum company earned \$27 million last year but we devoted Cub fans have been nothing but frustrated since 1945.

We believe a man should be eulogized while he is still alive. They waited until P.K. Wrigley died. But the praise had a hollow ring. Maybe he was a nice man, and we hope he had happy retirement years in his mansion at Lake Geneva.

But he didn't do anything for Chicago Cubs' fans. And we don't

like his chewing gum either.

THE BEST LINE we've heard in the last few days was written by Bob Verdi, Chicago Tribune sportswriter, after the Cubs beat the world champion Cincinnati Reds last Saturday.

"In all," said Verdi, "The Reds were held to six hits. Which is like holding Liz Taylor to six marriages."

Letters to the editor

'Open Letter to the residents of School District 34'

Dear Editor,

The Antioch Grade School election was Saturday, Apr. 9, and I would like to congratulate the winners on their victory. I sincerely hope that after their term, they are still as energetic and full of pep as they are at this time. It is a job that needs to be done, but the hours are long and the pay is poor.

I am writing you because during this election there were things that happened which personally I don't think belong in a local school board election. First of all, the teachers union endorsed a slate of candidates. Second, some of the teachers called parents asking them to support their candidates. Lastly, some of the teachers who do not even live or pay taxes in the district, stand at the poles campaigning for their slate of candidates. I do not think that these things are warranted or justified.

I REALIZE THAT TEACHERS who live in the district have the same rights as you and I to vote and to voice their opinion. However, those who do not live in the district should keep their nose out of how you and I spend our tax dollars and who serves on the school board. What other people have the right to pick and choose their bosses? Not many that I know. Why then should teachers have the right to influence the people who will be their employers?

Not only do these teachers have tenure but they have a union to represent them. Now they want to try and elect the people who make the policies that

Life, American Style, Available in Japan

By JERRY PFARR

The main sports story in the News last Wednesday told about the fast start the Chicago White Sox are making this season.

No, the story wasn't in the Antioch News, but rather in the Mainichi Daily News, an English language newspaper published daily in Tokyo, Osaka, Nagoya, Kita-Kyushu and Sapporo.

The general manager and editor is Hitoshi Ohnishi and editor-in-chief is Tetsuro Tomihiro.

THE NEWSPAPER was brought back to Antioch by a friend who was in Japan on a business trip.

It shows you can go to Japan and still find out -- even if it's two days after the game -- how the Cubs and Sox are doing.

In the Mainichi Daily News you get a complete report on the American sports scene.

FOR GOOD MEASURE, the newspaper throws in the European soccer results, the fact that Masaki Suzuki set a new Japanese cycling record and the announcement that World Flyweight boxing champion Masao Ohba of Japan will defend his title against Chartchai Chionoi of Thailand.

And, oh yes, the results of the All-Japan table tennis championships and a Peanuts comic strip. That's the Mainichi Daily News sports section.

IN OTHER DEPARTMENTS the Japanese paper carried some of the same United Press International stories and pictures that appeared in our daily newspapers a day earlier.

The entertainment page reveals that the American in Tokyo (or Osaka, Nagoya, Kita-

the Pfarr Corner

Kyushu or Sapporo) is made to feel right at home. The movie theaters are offering everything from Barbra Streisand to Jane Fonda, from Paul Newman to Charlie Chaplin. They're showing everything from "Slap Shot" to "Fun With Dick & Jane" and "A Star Is Born."

(Or, you can sneak over to the Minamiza theater and catch the matinee of "Futatsu Cho Cho Kuruwa Nikki," whatever that is.)

Television? Just like over here. A 1953 war movie starring Richard Widmark. Or, you can switch to radio and catch the Tokyo Tonight show. (It probably stars Johnny Carsonsaki.)

Golf and bowling are taking Japan by storm and you can watch plenty of that over there. But it's disturbing to see that NHK-TV wants you to turn on your set and join them in calisthenics at 6:10 in the morning and again at 3 in the afternoon.

It's obvious the Japanese have not become thoroughly Americanized.

A newspaper dedicated to people marching to their own drummers.

they have to work under. I am glad the people of Antioch have elected those people who were not supported by the teachers union.

I WOULD ALSO LIKE to see the board of education adopt a policy similar to that of the former Mayor Daley of Chicago, whereby those teachers and administrators hired by the district must live in the district before they are placed on tenure. Then they have the right to voice an opinion and vote for their own bosses.

50 YEARS AGO: APR. 28, 1927

Probably the largest gathering of pleasure seekers ever assembled in one place in Lake County thronged the Antioch Palace, Rt. 21 (now Rt. 83) and Beach Grove Rd., on its opening night last Saturday. More than 4,000 people gained admission to the hall; and it was estimated that over 1,000 were turned away by state police. The music of the Floridians was especially popular: the harshness and discord of the cheap jazz orchestras were noticeably lacking.

His Eminence Samuel Cardinal Stritch will bless St. Peter's new convent Sunday afternoon. After the blessing he will administer the Sacrament of Confirmation to about 150 children and adults. The Rev. Alfred J. Henderson invites all the people of the Antioch area to join this joyous and historic occasion. The Sisters have moved in and work has begun on the two new classrooms in the school. The new convent, built at a cost of \$183,000, has 20 rooms.

Walter Lyons of Oak Park and Larry Ryan of Park Ridge are the new owners of the Ford agency in Antioch, having purchased it last Thursday from Edward E. Carlson. Carlson is retiring and his brother, Herbert, who has been his partner since they took it over from William Rosing and Son in 1953, has taken a position as a salesman in New Jersey.

After recommending to the village board that Edgar Simonsen be re-appointed fire chief, the Antioch Fire Department at its meeting Tuesday evening turned to the task of planning its annual dance which will be held Saturday, June 29.

10 YEARS AGO: APR. 27, 1967

Antioch residents may be spared from loss of life in a tornado disaster such as hit Belvidere and Oak Lawn last Friday by the new emergency warning siren installed atop the water tower in Antioch. The new siren represents many months of work by Ed Frazier, civil defense director. The siren was installed Tuesday under the supervision of supt. of public works Edgar Simonsen.

The U.S. Dept. of Commerce is looking for an official weather observer for Antioch. Roy Kufalk is giving up the post he has held for 25 years, but will keep on recording and reporting the village's weather until Nov. 1, if necessary. He and his wife will be spending winters in Florida.

Okay plans for funds

Antioch village trustees held a public hearing Monday night to finalize appropriations of federal revenue sharing funds. Recommendations were then approved later that evening at the continuation of last week's regular meeting:

Emergency radio equipment, \$6,400; air compressor and filter system, \$5,000; sidewalks, \$17,000; end loader, \$20,000; storm sewer improvements, \$10,000; civic activities, \$15,000; and sawmill project, \$5,000.

Also: ordinance codification, \$12,000; office machines, \$6,000; and senior citizen taxi fare pilot program, \$4,000. Total: \$100,400.

Along the way with ANNIE MAE

Wow!

Antioch sure is a busy place these days, with all the events and happenings. You will want to read today's paper closely - wouldn't want to miss out, would you? The cotillion, dances, banquets, concerts...

This Sunday evening should be thoroughly entertaining, for instance. The Christian Fellowship Band will be performing at the Antioch Evangelical Free Church, starting at 7 p.m. The 35-piece brass band gave a super Bicentennial program last June: this weekend promises more of the same from the Chicago based musicians.

DAWN COSTOFF, daughter of Mr. and Mrs. Ted Costoff of Antioch, will perform in a junior piano recital presented by the Zion Conservatory of Music. The recital will be held this Friday at 7:30 p.m., in the Fellowship Hall of the Christian Catholic Church in Zion.

A reception will be held immediately following the program. The public is invited.

HARD TO BELIEVE, but Frank ReCupido will be 75 years young May 3. Hope the upcoming birthday bash will be fun. Kim White will be

celebrating that day, too.

Roger Rossen, be sure to have a happy 16th this Saturday!

JANE DE VORE and daughter Darcy recently returned from a trip to Panama.

Darcy was an honored guest at the Rainbow Girls convention while there. They also visited with Jane's other daughter and son-in-law, Denise and Mike Moffitt, who is stationed in the Canal Zone with the army.

They enjoyed the climate and foliage of the tropics but were happy to return home.

TWO LOVELY little gals made their arrival to Antioch recently. Karen Marie was born Apr. 15 to Sue and Gary Lamar. The proud big brothers are Kevin and Kenneth. Paul Hake also has a new sister, Loretta Elaine, born Apr. 20 to Patricia and Howard.

Congratulations to Jamie and Jim Haley on the birth of Adam Michael last Sunday. They also have a daughter, April.

See ya next week!

Cotillion is this Saturday

ABC's of Travel

By BARB CORBIN

TIPS FOR PACKING - TRAVEL LIGHT, DON'T WASTE SPACE.

Many people ask me the same thing time and time again. My first rule is to travel light!

I guess after so many years flying and carrying one's own luggage (because many international airports don't have porters) one learns to travel with as little as possible.

Be sure to leave a bit of empty room in each suitcase to carry home the gifts and souvenirs you buy or else take a cloth fold-up case in one suitcase to put in all your souvenirs on the return trip home.

This also makes it easy for the custom fellows, because everything is in the one case.

On the winter vacation, be sure and take one strong hanger. Some small hotels have few if any and seldom one strong enough to hold a heavy coat.

When it comes to packing, place folded slacks and skirts on the bottom of the suitcase, topped by shoes (in plastic or cloth bags to keep the clothes clean), shirts, blouses and other small items, then

jackets on top (folded double, with the sleeves crossed inside the fold).

Remember a space many travelers waste - inside your shoes. It's the perfect place to put small items wrapped in plastic if the item is breakable.

Finally, don't forget airlines now require an identification tag attached to the outside of suitcases and I recommend you also put a business card or address label on the inside in case the outside tag is torn off and a bag is misplaced.

Many countries do not provide wash clothes, so if you are the type that can't get along without, buy a small nylon sponge (they dry quite fast) and carry it with you.

Also take a bar or two of bath soap. Some make their soap so strong that it not only takes the dirt off but your skin too.

Remember, lugging a heavy load quickly becomes a tiresome burden on a vacation trip.

Finalize plans

The Antioch Chamber of Commerce and Industry is planning to sponsor a Farmer's Market in Antioch every Wednesday, July 20 until Oct. 26, from 9 a.m. to 2 p.m.

Market location will be the State Bank of Antioch parking lot, west of Spafford St.

MARKET PERMITS will be issued to farmers and growers from Illinois and Wisconsin for the sale of locally grown garden produce, apiary products, maple sugars, syrups, eggs and non-edible articles such as cut or potted flowers. Sale of any type of meat, fish, poultry, refrigerated dairy products and baked goods is prohibited.

The goal of the market is to provide a place where small farmers and gardeners can sell fresh produce directly to consumers and provide a place where fresh fruits and vegetables can be bought in quantities suited to the needs of most customers.

A FEE of \$70 for the 15-week season or \$5 per week will be charged for each 10-foot wide space requested and assigned to a vendor.

Assignment will be on a first-come basis.

Persons wishing to participate or receive more information should contact: The Antioch Chamber of Commerce & Industry, 909 Main St., P.O. Box 293, Antioch, IL 60002. 312-395-3381.

Tentative plans introduced at the Mar. 23 village board meeting called for Friday markets in the 12-hour parking area south of Orchard and west of Broadway.

Astro-Analysis

By Sonia

ARIES [March 21-April 19] - Have no doubts about what accomplishments can be made this week. Present influences are favorable for clear thinking and creative planning. Keep aims in focus.

TAURUS [April 20-May 20] - Self-expression may be somewhat difficult at times but old friends can be counted upon for personal advice and assistance. New suggestions should be heeded.

GEMINI [May 21-June 21] - As a less tense trend sets in you are able to expand your interests in many directions effectively. Don't daydream about future plans.

CANCER [June 22-July 21] - Investigate potential regarding career changes; talk over matters with superiors and decide on what's best for personal interests.

LEO [July 22-August 21] - Think of past successes and work on the same accomplishments. Accept new duties with optimism, this could be the stepping stone for future stability.

VIRGO [August 22-September 22] - Be sincere when dealing with others, people may need your assurance that you are dependable. Set aside less important matters for charitable interests now.

LIBRA [September 23-October 22] - As patience may be tried the need to be more tolerant of others in order to arrive at satisfactory terms is necessary. Don't rush into new situations.

SCORPIO [October 23-November 21] - Express your opinion in a positive way; you're in the public eye now so put your best foot forward. Stars favor for romantic endeavors, sudden happenings.

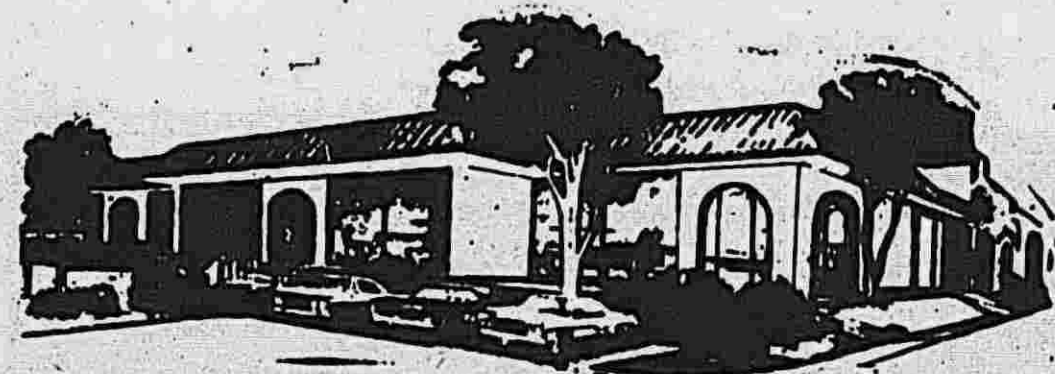

SAGITTARIUS [November 22-December 20] - A little time off from a busy schedule is relaxing. The tasks ahead of you seem far less difficult after a temporary change of scenery.

CAPRICORN [December 21-January 20] - Get rid of negative feelings that hamper dealings with associates. Concentrate on improving working conditions; colleagues are willing to lend new ideas.

AQUARIUS [January 21-February 19] - Set new goals where money matters are concerned, revise budget if necessary. Work on adding to personal resources, generosity is good but don't be extravagant.

PISCES [February 20-March 20] - Set some meaningful yet realistic goals. Avoid personalities who conflict with yours, keep company with congenial people who see things eye to eye with you.

Antioch Salutes Its 'Super Gals'

What is Secretaries Week? Sponsored by the National Secretaries Association, the annual Secretaries Week is April 24-30. National Secretaries Day is today, the 27th.

.. Since 1952, the last full week in April has been designated Secretaries Week to bring recognition to secretaries for the vital role they play in business, industry, education, government and the professions. Its purpose is to inform the public of the secretary's contribution to the educational, professional and civic growth of the community. It also serves to remind secretaries of their responsibilities to their employers and to their profession.

Racing 'hot and heavy' at Waukegan Speedway

Despite the coolness of the evening, the racing was hot and heavy at Waukegan Speedway Saturday.

In the 30-lap feature, Bob May (1971 track champion) took the checkered flag in his first late model feature win at the Speedway.

Ted Musgrave survived a spectacular crash with Roy Acuff on the second lap to come back and finish second in the race.

THE CAUSE OF the accident was Musgrave's steering column, which broke as he was coming out of a

turn. Musgrave hit Acuff's car, forcing it into the wall. Acuff's car went up on two wheels and then all four wheels came off the ground as the car went twirling through the air.

Acuff was not hurt, but his car required tow trucks to remove it from the track. Musgrave made the necessary repairs to his car and rejoined the field for the restart.

THE HOBBY STOCKS were full of excitement. In the hobby trophy dash, Mike Simon, the defending

hobby champion, lost a wheel on lap three and became airborne in the second turn. Simon was unhurt. Also in the race, Dennis Topcik caught Larry Cash at the finish line to win by inches.

The mini-Indys made a special appearance with Deacon Hundley coming home the big winner in both 6-lap heat events. The mini-Indys will join the midget cars and the hobbies on Memorial Day, May 30, in a special Monday night show.

Sunday's racing was cancelled due to cold weather.

Slate 'Ideal Living' series

The Lake County chapter of the International Meditation Society is sponsoring an "Ideal Living" Seminar Series during the month of May. The series will examine the concept of "ideal living" as it relates to business, education, technology, art, health and athletics. The free seminars will be held every Wednesday during the month of May.

The seminars will begin at 7:30 p.m. at the Lake County TM Center, 12 Park Ave. (corner of Lake and Park), Grayslake. All of the speakers are practitioners of the Transcendental Meditation technique and Lake County area residents.

The schedule is:

May 4, "Athletic Excellence: Deep Rest for Dynamic Activity," Jim Polley, former athlete at Antioch High School and Coe College, Iowa; May 11, "Ideal Business: Progress and Prosperity," Ralph Antonelli, commission salesman, and Arthur Knigge - independent claims adjuster; May 18, "A New Tool for Problem Solving," David Feingold - Illinois Institute of Technology graduate student; and May 25, "Art and Creativity," Mary Murphy, commercial artist.

Transcendental Meditation and TM are service marks of the World Plan Executive Council-U.S., a nonprofit educational organization.

When I was about 14, and my brother 8, I complained to our parents, "He is impossible to live with! I can't take any more." (This was after an especially frenzied babysitting escapade, as I recall.)

It's amazing how much progress he has made.

I MENTION THAT to encourage those whose children are at the squabbling stage, but also to introduce a great young man.

Did I say young "man"? Seems incredible Roger will be 16 Saturday, yet his intelligence and creativity make him seem even older. (I conceded the height competition a year ago.)

PEOPLE WHO KNOW him wonder which direction his talents

and interests will take him.

He is a top keyboard and sight reading musician for his age. And both his progressive jazz group and his humor benefit from good timing.

Those same hands that stretch more than an octave (and nearly break my hand in arm wrestling) work wonders in detailed artwork. Ask anyone who has seen his india ink drawings and scale model miniatures.

SURE, ROGER IS an impetuous teenager at times, but he will never be my "kid" brother. There's too much going for him - and too much love between us - for that.

The fun and mutual admiration we have is no empty sibling obligation. He's one of my dearest friends, for whom I'll always be grateful.

NORMAL-BLOOM-INGTON - Amy Ploss of Lake Villa was among 146 Illinois State University students inducted to membership in the ISU chapter of Phi Eta Sigma, a freshman honor society.

Phi Eta Sigma at ISU recognizes academic achievement during the first year of college by inviting to membership students who accumulate grades averaging 3.5 (4.0 - A). The society was established in 1923 at the University of Illinois and now is represented by chapters on some 170 campuses in the U.S.

Referendum group lists 'shortcomings'

A group of citizens, concerned with an upcoming school building referendum in Grade School District 34, has completed a "fact-finding tour" of school facilities in the Antioch area.

The referendum, if passed, will provide funds to build a new school near the present Antioch Upper Grade School, and to expand the present facilities at Oakland Grade School.

THE GROUP IS HEADED by Jonee Paul of 428 Northgate, Lindenhurst. It includes about 10 persons, mostly mothers of grade school pupils and pre-schoolers.

Mrs. Paul and Gail Heath, another member of the committee, said that persons wishing more information can be put on the group's mailing list by calling the Upper Grade School, 395-0712.

A **TENTATIVE DATE** for the referendum is Saturday, May 21.

"The desperate need for facilities improvement became apparent to the entire group as the tour

progressed," Mrs. Paul said. She added that basic findings included:

Channel Lake School, built in 1930, does not conform to current minimum safety standards established by the state, and must be renovated or closed.

CHANNEL LAKE SCHOOL, she said, has:

- Classrooms located in a maze-like fashion along narrow halls, with many not having direct access to outside exits.

- An unusually steep main stairway.

- A wood frame structure.

- Outdated plumbing and electrical wiring.

TO REPAIR THESE poor structural conditions and bring the building up to minimum life-safety codes would require an estimated \$225,000. All funds necessary to complete the repairs would be paid by District 34 taxpayers because the state has already refused to grant aid on the basis that the building is too old and the repairs too extensive to be a sound investment.

"Passage of the building referendum would allow Channel Lake School to be closed as soon as the new building is completed," the committee said. "The Capital Development Board, a state agency established to assist with school construction programs, will pay approximately 40 percent of the cost to construct a new building. This will save District 34 taxpayers approximately \$1 million.

OAKLAND GRADE SCHOOL, a relatively new facility, does not have adequate space to house the number of students now attending. The tour group noted a number of undesirable features, Mrs. Paul said:

- Oakland has been forced to use "portable classrooms" (temporary buildings outside the main structure) for the past three years. At this time, state law allows use of portable classrooms for a maximum of five years. All students attending classes in portables have been classified as "unhoused" by the state, and the school district must provide suitable housing or face loss of all state funds.

- In addition to possible loss of funds, the portables of Oakland create undesirable situations such as numerous necessary trips by students to the main facility, often in inclement weather; overcrowded washroom facilities; inadequate storage space and safety concerns in the event of high wind or tornado.

- Oakland does not have adequate space for a permanent music room.

- The present library is situated in a very small room and space is totally inadequate.

- All school supplies are stored on the gymnasium stage, rendering that facility useless as a learning resource.

PASSAGE OF THE building referendum would provide funds to expand the present facility adequately to eliminate the portables, provide an acceptable learning-center library, and provide a permanent music room, the committee said.

Antioch Lower Grade School, the third school on the tour, was visited in order for the citizens committee to view the renovations already underway, and paid for, at that facility.

Renovations include improvements required to meet minimum life-safety codes, and expansion to accommodate a new learning center and a permanent music and band room.

CHICAGO BEARS FOOTBALL Coach Jack Pardee (right) was greeted by Dave Zickus, governor of Antioch's Moose Lodge. Pardee was the guest speaker at the lodge's recent Sportsmen's Night.

THIRD FASTEST IN COUNTY - Antioch's middle distance runner, Bill Harland, has the third fastest time in the half-mile among Lake County high school athletes this season. Harland has covered the 880 yards in 2:00.5. Harland, Dan Otten, Mark Biel and Chuck Paulson give Antioch one of the fastest two-mile relay teams in the county. They were second to Wauconda in last Saturday's 12-team Lake Forest Invitational meet.

Antioch tennis teams have perfect records

The Antioch High School tennis team beat Dundee (4-1), Lake Zurich (5-0), Belvidere (4-1) and Waukegan West (4-1) to bring their record to 8-0.

DENNIS KORJENEK won three of four matches at first singles to bring his record to 6-3. His loss was to Dundee.

Bob Nasenbeny, playing excellently, won all four of his matches at second singles, making his record 8-1.

Keith Rezin won three of four at third singles and is now 8-1. His loss was against Belvidere.

MARK MANDROWSKI and Matt Warner are 9-0. Against Dundee, they were down 2 games to 5 in one set, and came back to win the set 7-5. They shut out a good team from Belvidere 6-0, 6-0. They have not lost a set all season.

George Richter and Mike Schmerbauch won 3 of 4 matches to bring their record to 7-1. They lost to an excellent doubles team from Waukegan West.

ANTIOCH WILL be the underdog

tonight at Jensen Park against Stevenson, the defending Northwest Suburban champs.

"Stevenson beat us 5-0 last year," said coach Ron Halpern, "and has the same team returning. We proved we could beat them at last year's conference meet where we won 2 out of 4 matches."

Both teams are undefeated in the conference. The next meet after Stevenson will be at Warren May 2.

THE SOPHOMORE tennis team is 8-0. They have beaten their opponents more convincingly than the varsity with the same record. The sophs have lost only one match in 8 meets. They have shut out 7 of 8 opponents.

Individually, Tom Surrock is 7-1 at first singles; Roger Korjenek is 8-0 at second singles. Phil Rezin is 8-0 at third singles. Tom Melhorn and Andy Dziki are 8-0 at first doubles. Greg McKenna and Dave Nikolai are 6-0 against sophomore competition.

The sophomores have two tough meets this week, today against Stevenson and Saturday against Rockford-Harlem.

ANTIOCH'S CHUCK PAULSON (right) is one of the stars of the Sequoits' rapid two-mile relay team. In last Saturday's Lake Forest Invitational, the quartet placed second. Antioch also was second in the 440-yard sprint relay. Steve Pilcher was second in the long jump, Keith Kaht third in the pole vault, Tracy Sodman third in the discus throw, and Chris Ano fourth in the high jump. Pilcher has reached nearly 21 feet in the long jump and Ano has cleared 6 feet 4 3/4 inches in the high jump. (Paul Maplethorpe photo.)

Girls softball wins at last

The Antioch High School girls softball team won its first game of the year Monday, Apr. 18, defeating Lake Zurich, 16-8. Top hitters in the victory were Sandy Kessler (3 for 5), Lisa Haling (3 for 4) and Kathy Ipsen (two triples in two tries).

Last Wednesday Antioch traveled to Warren and were defeated in the rain by the perennial champions, 8-4. The game was close until the third inning when Warren scored four runs. Antioch rallied for three runs in the top of the seventh with

the big blow being a three run double by Kim Plotz.

On Friday, Antioch lost a non-conference slugfest to Lake Forest, 22-17. The top hitter for the day was Heide Kapischke who was three for four. Bonnie Pattala and Karen Kirschke hit home runs to keep the game close.

The next games are Thursday, Apr. 28 at Zion and Monday, May 2 at Stevenson.

The next home game is Wednesday, May 4 with Grayslake.

Sequoits have pitching but aren't scoring runs

The Antioch High baseball team, defending Northwest Suburban champions, dropped a conference doubleheader Saturday, losing to Round Lake 2-1 and 1-0.

"I wish we didn't have any good ballplayers," said Coach Tom Baba. "At least we'd have an excuse then, but we do have good players."

Two of the league's top pitchers last year, Keith Evanson and Dave Zitkus, returned this season and have done good jobs.

In the opening game last Saturday, Antioch tied the score at 1-1 when Terry O'Brien tripled to right field, scoring catcher Jeff Mulder who had singled. But Round Lake tallied in its eighth and held on for the win.

Lee Neer held Antioch to two hits in the second game.

Girls track team beats Wauconda

The Antioch High School girls track team easily beat their Wauconda opponents, 79 1/2-48 1/2, in an away meet last Thursday.

Outstanding performances by the team, coached by Loreen Singer, included those of mile runners Cindy Irmen (first) and Ellen Sedar (third). Irmen was second in the 880-yard run, behind winner Diane Walsh and in front of third-place Carrie Corso.

Taking a first in the mile relay was the squad of Margaret Barlow, Corso, Paulette Kreulach and Walsh. Finishing one-two in the 110-yard and 80-yard low hurdles were Corine Harnisch and Shirley Fosmark.

Tying for first in the long jump was Deanna Ware. Sandie Young and Kreulach took the first two places in high jump.

Sweeping the shot put event were Sue Girten, Kathy Neubauer and Sedar. First and second in

discus throw went to Wynn Vos and Neubauer.

The next home meet is at 4:30 p.m., tomorrow (Thursday) at the school track against Cary Grove and Jacobs.

CLC NEWS

THE SOCIETY for the Protection of Endangered Wildlife, a College of Lake County environmental group, will hold its fourth annual "Walk for Wilderness" at the college, Saturday, Apr. 30. Proceeds will go to organizations that support the protection and preservation of wildlife and wild areas.

The walk will begin at 8 a.m. at the CLC North Campus parking lot. Walkers will check in at the first station and will begin a 20-kilometer hike around Grayslake. The walkers will be

seeking persons who will donate funds to the cause based on the number of miles walked.

Information about the "Walk for Wilderness" may be obtained by writing SPEW at the College, 19351 W. Washington St., Grayslake, IL 60030, or calling 223-6601, ext. 315 or 446.

Information about the scholarships may be obtained by contacting the financial aid office, ext. 296, or the science division office at ext. 420.

Mrs. Heath retained as school board head

Gail Heath was re-elected president of Antioch Grade School District 34's board of education last week.

The board was reorganized and Mrs. Heath, Garnet Cook, Bob Kelley and Bruce Jablonski were sworn in by Superintendent Henry Meyer. Those four were the winners in the recent school board election.

Jimmie Quedenfeld, who was not up for re-election, was re-elected secretary of the board for the 1977-78 school year.

The board also gave attorney Ted Larson authority to draw up a resolution for a May 21 referendum for a new kindergarten through fifth grade building, plus renovation at Oakland school.

Board meetings will be held on the first and third Tuesdays of each month, starting at 7:30 p.m. in the audio-visual room of the Upper Grade School. However, during June, July and August, the meetings will start at 8 p.m.

Names in the NEWS

Fred (Bud) Zeason of 110 Cheri Lane, Antioch, has been promoted to lieutenant with the Lake County sheriff's office. He formerly was a sergeant.

Laura Kessler, a major in learning disabilities and psychology, daughter of Mr. and Mrs. H. Richard Kessler, Rt. 4, Box 290A, Antioch, was one of 15 juniors elected to "Mortar Board" at

MacMurray College. The new members were recognized at the annual Honors Convocation. Mortar Board is a national honor organization of seniors.

It's Purple Martin time!

Antioch is celebrating Purple Martin Time this week, in conjunction with Illinois Bird Week, as declared by Gov. James Thompson.

The Northern Illinois Conservation Club has cooperated with the observance by presenting "The Purple Martin Story" to local clubs and area schools to promote an interest in wild birds in general, as well as the purple martin in particular.

Great numbers of the species can be seen in the Chain of Lakes area.

Anyone interested in replacing old inadequate martin houses with the newer, maintenance-free aluminum houses are encouraged to purchase them from the NICC through Maryanne Kaht, club secretary.

Plan exciting park program

Summer recreation programs in Antioch will be available in May.

Offerings will include an exciting day camp program for 3 to 6-year-olds and 7 to 12-year-olds. There will be new games, hikes, fishing, swimming, campout, picnics, a field trip and more.

Tennis instructor Ron Halpern will be offering a new summer program, including an adult tennis club for competition, a singles and doubles adult program and a new tennis readiness course for 8 and 9 year-olds and a 9 to 16-year-old summer league and instruction.

Dick Harland and Harley Ware promise an active track and field program including adult

jogging. Women and men who would like to loose a few pounds can join the morning exercise and biking class. Also, outdoor volleyball equipment will be made available at Osmond Park in the evenings.

GOLF EXPERT Chuck Spillner will again offer young people's and adult classes.

Steve Wapun and Ted DeRousse have planned a summer football clinic. Ellen Kessler, one of the originators of the girls softball league is venturing out on her own to organize a 8 and 9-year-old girls T-ball program.

The Aqua Center swim team, swim lesson and membership applications will be mailed this year.
